

Marin Jurisdictions Considering Alternate Type Streetlight Projects

Jurisdiction	Fixture Type	Funding Source	Notes
County	LED	EECBG	The County will probably start with a selection of sample installations throughout the county to test the fixtures and educate the public.
Fairfax	Induction	EECBG	A portion of the city's lights.
San Anselmo	Induction	EECBG	A portion of the city's lights.
Larkspur	Induction	EECBG	Larkspur tested some fixtures and is going to proceed in 2011 with installation in some of their non-residential areas.
Novato	LED	EECBG	Novato is working with PG&E's turn-key LED program.
Sausalito	LED	Their own funds	Sausalito is considering a test installation on one or two streets.

All of the EECBG funded projects have to expend all of their funds by March 2012.
